

WELCOME TO THE CROOKED RIVER RANCH STEEL STAMPEDE

STOP  BEFORE YOU PARK, LOOK AT THIS MAP!

Saturday Arrivals - Trials/MX Camping and Staging - Park ONLY in the area marked Camping/Staging, in the direction noted, and close to your neighbors. Those who park differently will be asked to move. We need to fit more people into a smaller space this year, so your co-operation is very much appreciated!

Saturday - Show & Swap area shown in white is FREE - Area shown in gray is PAID ENTRY only. Foot traffic passes between these areas only at GATE shown on map, you will need to show wristband when entering Pay Area and may be asked to show your wristband at random times/locations.

Sunday Arrivals - Participants: Park in Camping/Staging if there is room, or in Show/Swap and Spectator Parking areas. Park in the direction of arrows and close to the vehicle next to you. **Spectators in cars** - Park in back rows of Spectator Parking, close to the vehicle next to you.

All areas are "Pay Areas" on Sunday and require a visible wristband.
